The Association...

The Pool & Hot Tub Council of Canada is a national, not-for-profit association of companies, organizations and individuals involved in the aquatic leisure industry. Members include builders and contractors, retailers, service providers, manufacturers and distributors of swimming pools, hot tubs and water feature products. Members also include public pool operators and related safety organizations.

Our members promote the safe enjoyment of pools and hot tubs by sharing their knowledge with others. We encourage only the highest standards of quality and professionalism so that all Canadians can take pleasure from our products and services.

The Pool & Hot Tub Council of Canada is the leading national association in promoting awareness, education, and advancement of the aquatic leisure industry.

The affairs of the Council are managed by its Board of Directors. Local interests are addressed through regional Chapters operating across the country.

It is possible to locate a Member Company serving your area by exploring the PHTCC website.

Here are 6 good reasons to hire a Member of the Pool & Hot Tub Council of Canada:

- ❖ It is your guarantee of exceptional quality and outstanding service
- ❖ Members abide by a strict Code of Ethics
- ❖ Members follow industry guidelines, standards and codes
- ❖ Member companies operate with a valid clearance certificate issued by the Provincial Workers' Compensation Agency
- ❖ Member companies produce proof of General Liability insurance coverage
- ❖ Members are knowledgeable, and continually upgrade their skills through educational programs offered through the association.

Information on the organization, including copies of the Code of Ethics and Guidelines can be found at [www.poolcouncil.ca](http://www.poolcouncil.ca)

Protect your investment. Before hiring a company to build or service a swimming pool, spa or water feature, ask them to present this proof of association:
